Policyholder Disclosure Notice of Terrorism Insurance Coverage

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from acts of terrorism, *as defined in Section 102(1) of the Act*: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury - in consultation with the Secretary of Homeland Security, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

YOU SHOULD KNOW THAT WHERE COVERAGE IS PROVIDED BY THIS POLICY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM, SUCH LOSSES MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THE FORMULA, THE UNITED STATES GOVERNMENT GENERALLY REIMBURSES 80% OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. THE PREMIUM CHARGED FOR THIS COVERAGE DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS THAT MAY BE COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A \$100 BILLION CAP THAT LIMITS UNITED STATES GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS \$100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED \$100 BILLION, YOUR COVERAGE MAY BE REDUCED.

At your request, the attached policy **excludes** coverage, where permitted, for terrorism as described in the Act. Any premium charge for terrorism coverage is based on the premiums for each coverage part included in your policy that qualifies for coverage under the Act and the location of any property covered under the policy. The attached Terrorism Premium Information sheet provides complete information for developing this premium.

CUSTOMER PRIVACY POLICY

At Acuity Insurance, we gather information about our policyholders only in the interest of providing them with quality services at fair prices. We are committed to the careful handling of personal nonpublic information. We collect and use information for business purposes with respect to our insurance products and related business activities involving our customers. These business activities include evaluating a request for our insurance products and related services such as claims processing or processing other transactions requested by you.

Federal law has established privacy standards and requires us to provide this summary of our privacy policy once a year. Further, state laws typically require us to provide you notice of our information practices. The following information will provide you with a better understanding of the type of information we collect, how we use it and to whom we may disclose it.

HOW DO WE COLLECT INFORMATION

Your application is our major source of information. However, we may occasionally collect personal or privileged information about you and other persons proposed for coverage from third parties such as other insurance companies, physicians, hospitals and other medical personnel, insurance-support organizations or consumer reporting agencies. For example, we may collect information such as loss information reports, motor vehicle reports and credit reports. We may ask such an insurance support organization to view your property. They would report to us the value and condition of your property and send a photograph of it. Occasionally, we may order a consumer credit report showing your history of meeting financial obligations. Information from a report prepared by an insurance-support organization may be retained by them and disclosed to other persons to the extent permitted by law. We will not collect information about persons other than individuals proposed for coverage.

DISCLOSURE OF INFORMATION

The privacy of the information that you provide us with or that we collect about you is important to us. **It is our policy not to disclose any nonpublic personal information about our customers or former customers to anyone, except as permitted by law.** For example, we may disclose information to others such as your name, address, social security number, email address, phone number, policy coverages or other identifying policy or claims information to:

- Σ Third parties that perform marketing services on our behalf or with whom we have joint marketing agreements such as your independent insurance agent;
- Σ Third parties who help us evaluate requests for insurance or benefits or to prevent fraud such as consumer reporting agencies;
- Σ Third parties that require us to submit information to them, such as regulatory, law enforcement, or other government agencies.

We also reserve the right to make other necessary disclosures about current or former customers without prior authorization, so long as these disclosures are not typically conducted in our usual course of business, and only as permitted by law.

Now what does this really mean? It means our information about you is used only in connection with our business relationship with you. We will not, and never have, shared your nonpublic personal information with any third parties for the purpose of marketing their products or services. If this were to ever change, we would have to notify you first and give you the opportunity to prevent that type of

disclosure. That is, we would have to provide you with the option to "opt-out" first.

When we use other parties to help us conduct our business of insurance, such as investigating and paying claims, obtaining motor vehicle reports, confirming values and condition of homes, etc., we expect and often contract with these organizations to maintain the confidentiality of the information provided to them and to abide by all applicable privacy laws that pertain to them. An "opt-out" option is not required in order for us to conduct these usual and necessary insurance business activities.

In addition, our employees are required to protect the confidentiality of your information and access information only when there is an appropriate need to do so. We also maintain the necessary electronic and procedural safeguards to protect your information. Personal information is secured by use of change control procedures, passwords, and physical access controls. We employ a variety of other mechanisms to ensure that your information is not lost, misused, or altered inappropriately. These controls include regular database backups.

ACCESS TO AND AMENDMENT OF RECORDED INFORMATION

You have the right to access any personal information that we have recorded and is reasonably available for retrieval by us. You may submit a written request to us in order to do so. We reserve the right to charge a reasonable fee to cover the costs incurred in providing any summary of recorded personal information, when permitted to do so by law. We will prepare this information within thirty business days from the time your written request is received.

After review, you may ask us in writing to correct, amend, or delete any information about you in our files. Within thirty business days from the time your written request is received, we will either honor or deny your request. If we refuse to make any corrections, amendments, or deletions, you have the right to give us a concise statement of what you believe is the correct information, including the reason why you disagree with the disputed information. We will put your statement in our file so that anyone reviewing your file will see it and furnish it to the appropriate parties as required by law.

OUR PROMISE TO YOU

Your confidence in our company and the manner in which we conduct our business is greatly appreciated. Our promise to you is that we will treat your personal information with utmost confidentiality, use it only to help serve you better and in a manner prescribed by law. If you have questions at any time regarding our privacy policy, you may contact us at the following address:

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

This policy contains both a Products-Completed Operations Aggregate Limit and a General Aggregate Limit of Insurance. These are described in Section II - Limit of Insurance.

Other provisions in this policy restrict coverage. Read the entire policy and any *underlying insurance* carefully to determine rights, duties and what is covered and not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a

Named Insured under any *underlying insurance*. The words "we," "us" and "our" refer to the Company providing this insurance.

The words "this insurance" mean the liability insurance provided under this policy.

The word "insured" means any person or organization qualifying as such under any *underlying insurance*.

Other words and phrases that appear in italics have special meaning. Refer to Section IV - Definitions of this policy.

SECTION I - COVERAGES

1. Insuring Agreement

- a. We will pay those sums, in excess of the amount payable under the terms of any *underlying insurance*, that the insured becomes legally obligated to pay as damages because of *injury* or damage to which this insurance applies, provided that the *underlying insurance* also applies, or would apply but for the exhaustion of its applicable Limits of Insurance.

We will also pay those sums that the insured becomes legally obligated to pay as damages because of *injury* or damage to which the insurance provided under the Coverage Extension applies as set forth in paragraph 4 below.

- b. We have the right to participate in the investigation or settlement of claims or the defense of the insured against suits seeking damages because of *injury* or damage to which this insurance may apply. We have a duty to investigate or settle such claims or to defend the insured against such suits when the applicable Limit of Insurance of the *underlying insurance* has been used up by payment of judgments, settlements and any cost or expense subject to such limit.

We will have the right and duty to participate in the investigation and settlement of claims or the defense of the insured against suits seeking damages because of *injury* or damage to which the insurance provided under the Coverage Extension may apply.

This right or duty to defend is limited as set forth in paragraph 3 below.

However, we will have no duty to defend the insured against any suit seeking damages for *injury* or damage to which this insurance does not apply.

- c. The amount we will pay for damages is limited as described in Section II - Limit of Insurance.
- d. This insurance is subject to the same terms,

conditions, agreements, exclusions and definitions as the *underlying insurance*, except:

- (1) We have no obligation under this insurance with respect to any claim or suit that is settled without our consent; and
- (2) With respect to any provisions to the contrary contained in this insurance.

2. Exclusions

The exclusions that apply to the *underlying insurance* apply to this insurance. Also, this insurance does not apply to damages because of:

- a. *Injury* or damage to premises rented to you or temporarily occupied by you with permission of the owner.
- b. Any duty to pay expenses under any medical payments coverage.
- c. Any duty to reimburse an insurer as provided by the terms of the Endorsement For Motor Carrier Policies of Insurance For Public Liability Under Sections 29 and 30 of the Motor Carrier Act of 1980 or under the terms of any similar endorsement required by Federal or state statute.
- d. Any duty payable only because of the attachment of the Endorsement For Motor Carrier Policies of Insurance For Public Liability or any similar endorsement required by Federal or state statute.
- e. Any duty imposed by law under any automobile no-fault, uninsured motorist, underinsured motorist, workers' compensation, disability benefits or unemployment compensation law or any similar law.
- f. Any duty imposed by law under the following:
 - (1) Section 130, Civil Liability, of Title I (Truth in Lending Act) of the Consumer Credit Protection Act (Public Law

90-321; 82 Stat. 146 et. seq.);

- (2) Title IV (Odometer Requirements) of the Motor Vehicle Information and Cost Savings Act (Public Law 92-513; 86 Stat. 961); or
 - (3) Employee's Retirement Income Security Act (E.R.I.S.A.) of 1974 as now or hereafter amended.
- g.** *Injury* or damage to personal property in the care, custody or control of the insured.
- This exclusion does not apply to liability assumed under a sidetrack agreement.
- h.** *Injury* or damage sustained by an employee, former employee, prospective employee or their beneficiaries or legal representatives and caused by any negligent act, error or omission of the insured, or any other person for whose acts the insured is legally liable, in the administration of any employee benefit program. Administration includes giving counsel to employees, interpreting, handling of employee records, and effecting enrollment, termination or cancellation of employees.
- i.** Any obligation to pay any claim or claims made against you or any of your officers, directors or trustees, individually or collectively, by reason of a wrongful act in their respective capacities as officers, directors or trustees.

As used in this exclusion, "wrongful act" means any actual or alleged error, misstatement or misleading statement, act or omission, or neglect or breach of duty made or committed by your directors, officers or trustees.

- j.** Any obligation arising out of an act, error or omission of an insured:
- (1) While performing the duties of an insurance agent in your garage operations; or
 - (2) In your garage operations as a result of title paper preparation.

As used in this exclusion:

- (1) "Insurance agent" means a person or organization who is duly licensed as an insurance agent by the regulatory authority of the state in which the insured's principal place of business is located.
- (2) "Garage operations" means the ownership, maintenance or use of locations for garage business and that portion of the roads or other accesses that adjoin these locations. Garage operations includes the ownership, maintenance or use of the autos indicated in Section I of the Garage Coverage Form as covered autos.

Garage operations also includes all operations necessary or incidental to a garage business.

- (3) "Title paper preparation" means the preparation of official title papers for registering an auto sold by you. This includes the designation of a lienholder who holds a financial interest in the auto.
 - (4) "Auto" means a land motor vehicle, trailer or semitrailer.
- k.** Any obligation imposed due to the application of any statute permitting a customer to return an auto sold by an insured, if the auto fails to perform satisfactorily.

As used in this exclusion, "auto" means a land motor vehicle, trailer or semitrailer.

- l.** *Injury* or damage your customer becomes legally obligated to pay which arise out of the use of your covered auto. This exclusion applies only if your business is shown in the Declarations of the *underlying insurance* as an auto dealership.

However, if your customer becomes legally obligated to pay for *injury* or damage which arise out of their use of your covered auto and if there is:

- (1) No other valid and collectible insurance (whether primary, excess or contingent) available to your customer, we will pay up to the compulsory or financial responsibility law limits where the covered auto is principally garaged.
- (2) Other valid and collectible insurance (whether primary, excess or contingent) available to the customer but it is less than the compulsory or financial responsibility law limits where the covered auto is principally garaged, we will pay only for the amount by which the compulsory or financial responsibility law limits exceed the limits of the other insurance.

3. Investigation or Settlement of Claims or Defense of Insured Against Suits

- a.** When we have the duty to defend, we will pay for all *defense expense* once our duty to defend begins. We may investigate any claim or suit.

If we exercise our right to defend when there is no duty, we will pay only that *defense expense* we incur.

If we provide a defense, we may investigate any claim or suit at our discretion. We may settle such claim or suit within the Limit of Insurance available at the time of the settlement.

- b.** Our right or duty to defend ends when we

have used up the Limits of Insurance available in the payment of any judgments or settlements as provided under Section II - Limit of Insurance. This applies both to claims and suits pending at the time and those filed thereafter.

- c. When we control the investigation or settlement of a claim or the defense of the insured against a suit, we will pay for the *defense expense*. If by mutual agreement or court order the insured assumes control before the applicable Limit of Insurance available is used up, we will reimburse the insured for reasonable *defense expense*.
- d. As soon as the Limit of Insurance available is used up, you will then arrange to assume control of the investigation or settlement of all such claims or the defense of you or any other insured against such suits when our right or duty to investigate, settle or defend them ends.
- e. We will assist the insured in the transfer of control of the investigation or settlement of claims or the defense of the insured against suits under c or d above. Until such transfer is completed, we will take on behalf of any insured those steps that we think proper:
 - (1) To avoid a default in any claim or suit; or
 - (2) To the continued investigation or

settlement of a claim or defense of the insured against a suit.

You agree that if we take such steps:

- (1) We do not waive or give up any of our rights under this insurance; and
 - (2) You will reimburse us for any *defense expense* that arises out of such steps if the applicable Limit of Insurance available has been used up.
- f. Any payment for *defense expense* will not reduce the Limits of Insurance.

4. Coverage Extension

- a. The terms of this policy are extended as follows:

If *underlying insurance* provides coverage for the use of watercraft you do not own, in addition to watercraft ashore on premises you own or rent, the coverage provided by this policy is extended to cover any watercraft you do not own that is:

- (1) Less than 75 feet long; and
- (2) Not being used to carry persons or property for a charge;

even if these nonowned watercraft are not insured in the *underlying insurance*.

- b. We will only pay for damages up to the limits of insurance.

SECTION II - LIMIT OF INSURANCE

- 1. The Limits of Insurance shown in the Declarations and the rules below define the most we will pay under the terms of this insurance regardless of the number of:
 - a. Insureds;
 - b. Claims made or suits brought;
 - c. Persons or organizations making claims or bringing suits.
- 2. The General Aggregate Limit is the most we will pay for all damages under Section I - Coverages, other than damages arising out of:
 - a. The *products-completed operations hazard*; or
 - b. The ownership, operation, maintenance, use, loading or unloading, or entrustment to others, of an auto.

The General Aggregate Limit applies separately to:

- a. Each location owned by or rented to you. A location is a premises involving the same or connecting lots, or a premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad; and

- b. Each of your projects away from a location owned by or rented to you.

Each payment we make for such damages reduces by the amount of the payment, the General Aggregate Limit. This reduced limit will then be the Limit of Insurance available for further damages of these kinds.

- 3. The Products-Completed Operations Aggregate Limit is the most we will pay under Section I - Coverages because of damages arising out of the *products-completed operations hazard*. Each payment we make for such damages reduces, by the amount of the payment, the Products-Completed Operations Aggregate Limit. This reduced limit will then be the Limit of Insurance available for further damages of these kinds.
- 4. Subject to 2 and 3 above, or with respect to *injury* or damage arising out of the ownership, operation, maintenance, use, loading or unloading, or entrustment to others of an auto, the Each Occurrence Limit is the most we will pay for the sum of damages under Section I - Coverages because of all *injury* and damage arising out of any one *occurrence*.
- 5. The limits of this policy apply separately to

each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an

additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limit of Insurance.

SECTION III - CONDITIONS

We have no duty to provide coverage under this policy unless you and any other involved insured have fully complied with the Conditions contained in this policy and those contained in any *underlying insurance*.

If any of the following conditions are contrary to Conditions contained in the *underlying insurance*, the provisions contained in this policy apply.

1. Appeals

In the event the *underlying insurer* elects not to appeal a judgment in excess of the limits of the *underlying insurance*, we may elect to make such appeal. If we so elect, we shall be liable, in addition to the applicable Limit of Insurance for all *defense expenses* we incur.

2. Bankruptcy of Underlying Insurer

In the event of bankruptcy or insolvency of any *underlying insurer*, this policy shall not replace such *underlying insurance*. This policy applies as if the *underlying insurance* was valid and collectible.

3. Duties in the Event of Occurrence, Claim or Suit

a. You must see to it that we are notified as soon as practicable of an *occurrence* or offense which may result in a claim. To the extent possible notice should include:

- (1) How, when and where the *occurrence* or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any *injury* or damage arising out of the *occurrence* or offense.

b. If a claim or suit is received by any insured you must:

- (1) Immediately record the specifics of the claim or suit and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim as soon as practicable.

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or a suit;
- (2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or the defense of the insured against the suit;

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of *injury* or damage to which this insurance may also apply; and

(5) Notify us immediately of any judgment or settlement of any claim or suit brought against any insured.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. Maintenance of Underlying Insurance

a. You agree to maintain the *underlying insurance* in full force and effect during the term of this policy. You agree to inform us within 10 days of any replacement of that *underlying insurance* by the same or another company. **CONDITIONAL EXCLUSION OF TERRORISM (RELATING TO DISPOSITION
OF FEDERAL TERRORISM RISK INSURANCE ACT)**

CU-7072(1-15)

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

A. Applicability Of The Provisions Of This Endorsement

1. The provisions of this endorsement will become applicable commencing on the date when any one or more of the following first occurs. But if your policy (meaning the policy period in which this endorsement applies) begins after such date, then the provisions of this endorsement become applicable on the date your policy begins.

a. The federal Terrorism Risk Insurance Program ("Program"), established by the Terrorism Risk Insurance Act, has terminated with respect to the type of insurance provided under this Coverage Form; or

b. A renewal, extension or replacement of the Program has become effective without a requirement to make terrorism coverage available to you and with revisions that:

(1) Increase our statutory percentage deductible under the Program for terrorism losses. (That deductible determines the amount of all certified terrorism losses we must pay in a calendar year, before the federal government shares in subsequent payment of certified terrorism losses.); or

(2) Decrease the federal government's statutory percentage share in potential terrorism losses above such deductible; or

(3) Redefine terrorism or make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other types of events or occurrences under this policy.

2. If the provisions of this endorsement become applicable, such provisions:

a. Supersede any terrorism endorsement already endorsed to this policy that addresses *certified acts of terrorism* and/or *other acts of terrorism*, but only with respect to an incident(s) of terrorism (however defined) which results in injury or damage that occurs on or after the date

when the provisions of this endorsement become applicable (for claims made policies, such an endorsement is superseded only with respect to an incident of terrorism (however defined) that results in a claim for injury or damage first being made on or after the date when the provisions of this endorsement become applicable); and

b. Remain applicable unless we notify you of changes in these provisions, in response to federal law.

3. If the provisions of this endorsement do NOT become applicable, any terrorism endorsement already endorsed to this policy, that addresses *certified acts of terrorism* and/or *other acts of terrorism*, will continue in effect unless we notify you of changes to that endorsement in response to federal law.

B. The following definitions are added and apply under this endorsement wherever the term terrorism, or the phrase any injury or damage, are shown in italics:

1. "*Terrorism*" means activities against persons, organizations or property of any nature:

a. That involve the following or preparation for the following:

- (1) Use or threat of force or violence; or
- (2) Commission or threat of a dangerous act; or
- (3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

b. When one or both of the following applies:

- (1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
- (2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

2. "*Any injury or damage*" means any injury or damage covered under any Coverage Form or underlying insurance to which this en-

dorsement is applicable, and includes but is not limited to *bodily injury, property damage, personal and advertising injury, injury or environmental damage* as may be defined in any applicable Coverage Form or underlying insurance.

C. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for *any injury or damage* caused directly or indirectly by *terrorism*, including action in hindering or defending against an actual or expected incident of *terrorism*. *Any injury or damage* is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such injury or damage. **But this exclusion applies only when one or more of the following are attributed to an incident of terrorism:**

1. The *terrorism* is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the *terrorism* was to release such material; or
3. The *terrorism* is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *terrorism* was to release such materials; or
5. The total of insured damage to all types of property exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons

and entities affected by the *terrorism* and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

6. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or
 - b. Protracted and obvious physical disfigurement; or
 - c. Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of *terrorism* which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraphs C5 or C6 are exceeded.

With respect to this Exclusion, Paragraphs C5 and C6 describe the threshold used to measure the magnitude of an incident of *terrorism* and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of *terrorism*, there is no coverage under this Coverage Form.

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Coverage Form.

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

The following is added to Section III - Conditions:

Covered Property does not include:

- a.** Aircraft, automobiles, motortrucks and other vehicles subject to motor vehicle registration;
- b.** Money or securities, except as provided in the:
 - (1) Money and Securities Coverage Extension; or
 - (2) Employee Dishonesty Optional Coverage.
- c.** Contraband or property in the course of illegal transportation or trade;
- d.** Land (including land on which the property is located), water, growing crops or lawns;
- e.** Outdoor fences, radio or television antennas

(including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants (other than *stock* of trees, shrubs or plants), all except as provided in the:

- (1) Outdoor Property Coverage Extension;
or
- (2) Outdoor Signs Optional Coverage;

- f. Watercraft (including motors, equipment and accessories) while afloat;
- g. Accounts, bills, food stamps, other evidences of debt, accounts receivable or *valuable papers and records*; except as otherwise provided in this policy;
- h. *Computer(s)* which are permanently installed or designed to be permanently installed in any aircraft, watercraft, motortruck or other vehicle subject to motor vehicle registration. This paragraph does not apply to *computer(s)* while held as *stock*;
- i. *Electronic Data*, except as provided under Additional Coverages - Electronic Data. This paragraph i does not apply to your *stock* of prepackaged software.
- j. Animals, unless owned by others and boarded by you, or if owned by you, only as *stock* while inside of buildings.

3. Covered Causes of Loss

Risks of Direct Physical Loss unless the loss is:

- a. Excluded in Property Exclusions; or
- b. Limited in paragraph 4, Limitations;
that follow.

4. Limitations

- a. We will not pay for loss of or damage to:
 - (1) Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
 - (2) Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
 - (3) Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property. This limitation does not apply to the Extension of Coverage for Money and Securities.

- (4) Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.

- (5) The interior of any building or structure or the property inside any building or structure caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:

- (a) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which rain, snow, sleet, ice, sand or dust enters;
or

- (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

- b. We will not pay for loss of or damage to the following types of property unless caused by the *specified causes of loss* or building glass breakage:

- (1) Animals, and then only if they are killed or their destruction is made necessary.

- (2) Fragile articles such as glassware, statuary, marble, chinaware and porcelain, if broken. This restriction does not apply to:

- (a) Glass that is part of the exterior or interior of a building or structure;

- (b) Containers of property held for sale;
or

- (c) Photographic or scientific instrument lenses.

- c. For loss or damage by theft, the following types of property are covered only up to the limits shown:

- (1) \$2,500 for furs, fur garments and garments trimmed with fur.

- (2) \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.

- (3) \$2,500 for patterns, dies, molds and forms.

5. Additional Coverages

a. Debris Removal

- (1) Subject to paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days

- of the date of direct physical loss or damage.
- (2) Debris removal does not apply to costs to:
- (a) Extract *pollutants* from land or water; or
 - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in paragraph (4) below, the following provisions apply:
- (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to paragraph (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

Example #1

Limit of Insurance	\$90,000
Amount of Deductible	\$500
Amount of Loss	\$50,000
Amount of Loss Payable	\$49,500
	(\$50,000 - \$500)

Debris Removal Expense	\$10,000
Debris Removal Expense Payable	\$10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of paragraph (3).

Example #2

Limit of Insurance	\$90,000
Amount of Deductible	\$500
Amount of Loss	\$80,000
Amount of Loss Payable	\$79,500
	(\$80,000 - \$500)
Debris Removal Expense	\$30,000
Debris Removal Expense Payable	
Basic Amount	\$10,500
Additional Amount	\$10,000

The basic amount payable for debris removal expense under the terms of paragraph (3) is calculated as follows:

$\$80,000 (\$79,500 + \$500) \times .25 = \$20,000$; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Pollutant Clean Up and Removal

We will pay your expense to extract *pollutants* from land or water at the described premises if the discharge, dispersal seepage, migration, release or

escape of the *pollutants* is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of *pollutants*. But we will pay for testing which is performed in the course of extracting the *pollutants* from the land or water.

The most we will pay for each location under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

c. Preservation of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

We will not pay for any loss or damage under this Additional Coverage if the Covered Property was moved from the described premises to preserve it from loss or damage by a cause of loss that is not a Covered Cause of Loss.

d. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500, unless a different limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

e. Collapse

The coverage provided under this Additional Coverage - Collapse applies only to an abrupt collapse as described and limited in paragraphs e(1) through e(7).

- (1) For the purpose of this Additional Coverage - Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

- (2) We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if such collapse is caused by one or more of the following:

- (a) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- (b) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- (c) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- (d) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
 - (i) A cause of loss listed in paragraph (2)(a) or (2)(b);
 - (ii) One or more of the *specified causes of loss*;
 - (iii) Breakage of building glass;
 - (iv) Weight of people or personal property; or
 - (v) Weight of rain that collects on a roof.

- (3) This Additional Coverage - Collapse does **not** apply to:

- (a) A building or any part of a building that is in danger of falling down or caving in;
- (b) A part of a building that is standing, even if it has separated from another part of the building; or
- (c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

- (4) With respect to the following property:

- (a) Awnings;
- (b) Gutters and downspouts;
- (c) Yard fixtures;

- (d) Outdoor swimming pools;
- (e) Piers, wharves and docks;
- (f) Beach or diving platforms or appurtenances;
- (g) Retaining walls; and
- (h) Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in paragraphs (2)(a) through (2)(d), we will pay for loss or damage to that property only if such loss or damage is a direct result of the abrupt collapse of a building insured under this policy and the property is Covered Property under this policy.

- (5) If personal property abruptly falls down or caves in and such collapse is not the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
 - (a) The collapse of personal property was caused by a cause of loss listed in paragraphs (2)(a) through (2)(d) of this Additional Coverage;
 - (b) The personal property which collapses is inside a building; and
 - (c) The property which collapses is not of a kind listed in paragraph (4), regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this paragraph (5) does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- (6) This Additional Coverage - Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- (7) This Additional Coverage - Collapse will not increase the Limits of Insurance provided in this policy.
- (8) The term Covered Cause of Loss includes the Additional Coverage - Collapse as described and limited in paragraphs e(1) through e(7).

f. Water, Other Liquids, Powder or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the

cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage, but we will pay the cost to repair or replace damaged parts or fire extinguishing equipment if the damage:

- (1) Results in discharge of any substance from an automatic fire protection system; or
- (2) Is directly caused by freezing.

g. Business Income and Extra Expense

- (1) We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your *operations* during the *period of restoration*. The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (a) The portion of the building which you rent, lease or occupy; and
- (b) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

- (2) Business income means the:

- (a) Net income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
- (b) Continuing normal operating expenses incurred, including payroll.

- (3) We will pay necessary Extra Expense

you incur during the *period of restoration* that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (a) The portion of the building which you rent, lease or occupy; and
 - (b) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.
- (4) Extra Expense means expense incurred:
- (a) To avoid or minimize the suspension of business and to continue *operations*:
 - (i) At the described premises; or
 - (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
 - (b) To minimize the suspension of business if you cannot continue *operations*.
 - (c) To:
 - (i) Repair or replace any property; or
 - (ii) Research, replace or restore the lost information on damaged *valuable papers and records*; to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage.
- (5) We will only pay for Loss of Business Income or Extra Expense that you sustain during the *period of restoration* and that occurs within 12 consecutive months after the date of direct physical loss or damage. Items (1) through (5) of this Additional Coverage are not subject to the Limits of Insurance.
- (6) Extended Business Income. If the necessary suspension of your *operations*

produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property, except finished stock, is actually repaired, rebuilt or replaced and *operations* are resumed; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your *operations*, with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 30 consecutive days after the date determined in (a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

- (7) With respect to the coverage provided in this Additional Coverage, suspension means:
- (a) The partial slowdown or complete cessation of your business activities; or
 - (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (8) This Additional Coverage is not subject to the Limits of Insurance.

h. Civil Authority

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and

- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority coverage for necessary Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority coverage for Business Income ends;

whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance.

i. Money Orders and Counterfeit Money

We will pay for loss resulting directly from your having accepted in good faith, in exchange for merchandise, *money* or services:

- (1) Money orders issued by any post office, express company or bank that are not paid upon presentation; or
- (2) *Counterfeit money* that is acquired during the regular course of business.

The most we will pay for any loss under this Additional Coverage is \$1,000.

j. Forgery and Alteration

- (1) We will pay for loss resulting directly from forgery or alteration of, any check, draft, promissory note, bill of exchange or similar written promise of payment in *money*, that you or your agent has issued, or that was issued by someone who impersonates you or your agent.
- (2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in *money*, on the basis that it has been forged or altered, and you have

our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.

- (3) For the purpose of this coverage, check includes a substitute check as defined in the Check Clearing for the 21st Century Act, and will be treated the same as the original it replaced.
- (4) The most we will pay for any loss, including legal expenses, under this Additional Coverage is \$2,500, unless a higher Limit of Insurance is shown in the Declarations.

k. Increased Cost of Construction

- (1) This Additional Coverage applies only to buildings insured on a replacement cost basis.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in k(3) through k(9) of this Additional Coverage.
- (3) The ordinance or law referred to in k(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You are required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by *pollutants* or due to the presence, growth, proliferation, spread or any activity of *fungi*, wet rot or dry rot; or
 - (b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess

the effects of *pollutants, fungi, wet rot* or dry rot.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
- (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the same premises.
 - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Property Loss Condition in this Coverage Form do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in k(6) of this Additional Coverage, is not subject to such limitation.

I. Business Income From Dependent Properties

- (1) We will pay for the actual loss of

Business Income you sustain due to physical loss or damage at the premises of a dependent property caused by or resulting from any Covered Cause of Loss.

However, this Additional Coverage does not apply when the only loss to dependent property is loss or damage to *electronic data*, including destruction or corruption of *electronic data*. If the dependent property sustains loss or damage to *electronic data* and other property, coverage under this Additional Coverage will not continue once the other property is repaired, rebuilt or replaced.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit of Insurance is indicated in the Declarations.

- (2) We will reduce the amount of your Business Income loss, other than Extra Expense, to the extent you can resume *operations*, in whole or in part, by using any other available:
 - (a) Source of materials; or
 - (b) Outlet for your products.
 - (3) If you do not resume *operations*, or do not resume operations as quickly as possible, we will pay based on the length of time it would have taken to resume *operations* as quickly as possible.
 - (4) Dependent property means property owned by others whom you depend on to:
 - (a) Deliver materials or services to you, or to others for your account. But services does not mean water, communication or power supply services;
 - (b) Accept your products or services;
 - (c) Manufacture your products for delivery to your customers under contract for sale; or
 - (d) Attract customers to your business.
- The dependent property must be located in the coverage territory of this policy.
- (5) The coverage period for Business Income under this Additional Coverage:
- (a) Begins 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the dependent property; and
 - (b) Ends on the date when the property

at the premises of the dependent property should be repaired, rebuilt or replaced with reasonable speed and similar quality.

- (6) The Business Income coverage period, as stated in paragraph (5), does not include any increased period required due to the enforcement of any ordinance or law that:

- (a) Regulates the construction, use or repair, or requires the tearing down of any property; or
- (b) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of *pollutants*.

The expiration date of this policy will not reduce the Business Income coverage period.

- (7) The definition of Business Income contained in the Business Income Additional Coverage also applies to this Business Income From Dependent Properties Additional Coverage.

m. Glass Expenses

- (1) We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- (2) We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

n. Fire Extinguisher Systems Recharge Expense

- (1) We will pay:
 - (a) The cost of recharging or replacing, whichever is less, your fire extinguishers and fire extinguishing systems (including hydrostatic testing if needed) if they are discharged on or within 100 feet of the described premises; and
 - (b) For loss or damage to Covered Property if such loss or damage is the result of an accidental discharge of chemicals from a fire extinguisher or a fire extinguishing system.
- (2) No coverage will apply if the fire extinguishing system is discharged during installation or testing.
- (3) The most we will pay under this Additional Coverage is \$5,000 in any one occurrence.

o. Water Backup of Sewers or Drains - Computers

- (1) We will pay for loss or damage to *computer(s)* and *electronic media and records* caused by or resulting from water that backs up, or overflows from a sewer, drain or sump.
- (2) Property Exclusions item g(3) does not apply to this Additional Coverage.

p. Electronic Data

- (1) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore *electronic data* which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that *electronic data* is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the *electronic data* was stored, with blank media of substantially identical type.
- (2) The Covered Causes of Loss applicable to Business Personal Property include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including *electronic data*) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including *electronic data*) by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.
- (3) The most we will pay under this Additional Coverage - Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

q. Interruption of Computer Operations

- (1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of *operations* caused by an interruption in computer operations due to destruction or corruption of *electronic data* due to a Covered Cause of Loss.
- (2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
 - (a) Coverage under this Additional Coverage - Interruption of Computer Operations is limited to the *specified causes of loss* and Collapse.
 - (b) If the Deluxe Bis-Pak® Property Coverage Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage.
 - (c) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including *electronic data*) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.
- (3) The most we will pay under this Additional Coverage - Interruption of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any

interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

- (4) This Additional Coverage - Interruption of Computer Operations does not apply to loss sustained or expense incurred after the end of the *period of restoration* even if the amount of insurance stated in (3) above has not been exhausted.
- (5) Coverage for Business Income does not apply when a suspension of *operations* is caused by destruction or corruption of *electronic data*, or any loss or damage to *electronic data*, except as provided under paragraphs (1) through (4) of this Additional Coverage.
- (6) Coverage for Extra Expense does not apply when action is taken to avoid or minimize a suspension of *operations* caused by destruction or corruption of *electronic data*, or any loss or damage to *electronic data*, except as provided under paragraphs (1) through (4) of this Additional Coverage.

r. Limited Coverage for *Fungi*, Wet Rot Or Dry Rot

- (1) The coverage described in paragraphs r(2) and r(6) only applies when the *fungi*, wet rot or dry rot are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
 - (a) A *specified cause of loss* other than fire or lightning; or
 - (b) Flood, if the Flood Damage Endorsement applies to the affected premises.
- (2) We will pay for loss or damage by *fungi*, wet rot or dry rot. As used in this Limited Coverage, the term loss or damage means:
 - (a) Direct physical loss or damage to Covered Property caused by *fungi*, wet rot or dry rot, including the cost or removal of the *fungi*, wet rot or dry rot;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the *fungi*, wet rot or dry rot; and
 - (c) The cost of testing performed after

removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that *fungi*, wet rot or dry rot are present.

- (3) The coverage described under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss of damage arising out of all occurrences of *specified causes of loss* (other than fire or lightning) and flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in *fungi*, wet rot or dry rot, we will not pay more than the total of \$15,000 even if the *fungi*, wet rot or dry rot continue to be present or active, or recur, in a later policy period.

- (4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by *fungi*, wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by *fungi*, wet rot or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that *fungi*, wet rot or dry rot cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited

Coverage.

- (5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder or Molten Material Damage or Collapse Additional Coverages.
- (6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of *operations* satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage.
- (a) If the loss which resulted in *fungi*, wet rot or dry rot does not in itself necessitate a suspension of *operations*, but such suspension is necessary due to loss or damage to property caused by *fungi*, wet rot or dry rot, then our payment under the Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- (b) If a covered suspension of *operations* was caused by loss or damage other than *fungi*, wet rot or dry rot, but remediation of *fungi*, wet rot or dry rot prolongs the *period of restoration*, we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the *period of restoration*), but such coverage is limited to 30 days. The days need not be consecutive.

PROPERTY GENERAL CONDITIONS

1. Control of Property

The breach of any condition of this Coverage Form at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

2. Mortgageholders

- a. The term "mortgageholder" includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this policy, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this policy at our request if you have failed to do so;
 - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
 - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this policy will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this policy:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the

extent of the amount we pay; and

- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) Ten days before the effective date of cancellation if we cancel for your non-payment of premium; or
 - (2) Thirty days before the effective date of cancellation if we cancel for any other reason.

- b. The coverage territory is:
 - (1) The United States of America (including its territories and possessions);
 - (2) Puerto Rico; and
 - (3) Canada.

PROPERTY LOSS CONDITIONS

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties in the Event of Loss or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:
 - (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage and keep a record of your expenses reasonably incurred to protect the Covered Property. We will consider these expenses in the settlement of a claim, but this will not increase the applicable Limit of Insurance. However, we will not consider any expenses incurred in order to protect the Covered Property from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
 - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.
- (9) Resume all or part of your *operations* as quickly as possible.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

No one may bring a legal action against us under this insurance unless:

- a. There has been full compliance with all of the terms of this insurance; and
- b. The action is brought within two years after the date on which the direct physical loss or damage occurred.

5. Loss Payment and Valuation

In the event of loss or damage covered by this Coverage Form:

- a. At our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality.
- b. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- c. We will not pay you more than your financial interest in the Covered Property.
- d. Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more

than their financial interest in the Covered Property.

- e. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- f. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this policy and we have reached agreement with you on the amount of loss or an appraisal award has been made.

- g. Except as provided in (2) through (7) below, we will determine the value of Covered Property as follows:

- (1) At replacement cost without deduction for depreciation, if Replacement Cost is indicated in the Declarations as the basis for valuation of the Covered Property.

- (a) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.

- (b) We will not pay on a replacement cost basis for any loss or damage:

- (i) Until the lost or damaged property is actually repaired or replaced; and
- (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of paragraph g(1) above whether or not the actual repair or replacement is complete.

- (c) We will not pay more for loss or damage on a replacement cost basis than the least of:

- (i) The cost to replace, on the same premises, the lost or damaged property with other property that is of comparable material and quality and is used for the same purpose.
- (ii) The amount you actually spend that is necessary to repair or replace the lost or damaged

property.

- (iii) The limit shown in the Declarations for the Covered Property.

If a building is rebuilt at a new premises, the cost is limited to the cost which would have been incurred had the building been built at the original premises.

- (2) At actual cash value, if Actual Cash Value is indicated in the Declarations as the basis for valuation of the Covered Property. We will never pay more than the applicable limit shown in the Declarations.

- (3) The following property at actual cash value:

- (a) Used or second-hand merchandise held in storage or for sale;
- (b) Property of others. However, if an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance;
- (c) Household contents, except personal property in apartments or rooms furnished by you as landlord;
- (d) Manuscripts; and
- (e) Works of art, antiques or rare articles, including etchings, pictures, statuary, marble, bronzes, porcelain and bric-a-brac.

- (4) Glass at the cost of replacement with safety glazing material if required by law.

- (5) *Money* at its face value.

- (6) Securities at their value at the close of business on the day the loss is discovered.

- (7) Applicable only to Accounts Receivable:

- (a) If you cannot accurately establish the amount of accounts receivable outstanding as of the time of loss or damage:
 - (i) We will determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the loss or damage occurs; and
 - (ii) We will adjust that total for any

normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.

(b) The following will be deducted from the total amount of accounts receivable, however that amount is established:

- (i) The amount of the accounts for which there is no loss or damage;
- (ii) The amount of the accounts that you are able to reestablish or collect;
- (iii) An amount to allow for probable bad debts that you are normally unable to collect; and
- (iv) All unearned interest and service charges.

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance and all other provisions of this Loss Payment and Valuation Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Common Policy Condition.

6. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

7. Resumption of Operations

We will reduce the amount of your:

- a. Business Income loss, other than Extra Expense, to the extent you can resume your *operations*, in whole or in part, by using damaged or undamaged property (including

merchandise or stock) at the described premises or elsewhere.

- b. Extra Expense loss to the extent you can return *operations* to normal and discontinue such Extra Expense.

8. Vacancy

a. Description of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (a) and (b) below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

- (a) Vandalism;
- (b) Sprinkler leakage, unless you have protected the system against freezing;
- (c) Building glass breakage;
- (d) Water damage;

We may at our discretion investigate any *occurrence* or any offense and settle any claim or *suit* that may result. But:

- (1) The amount we will pay for damages is limited as described in the Liability and Medical Expenses Limits of Insurance Section; and
- (2) Our right and duty to defend ends when we have used up the applicable Limit of Insurance in the payment of judgments, settlements or medical expenses.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Coverage Extension - Supplementary Payments.

- b. This insurance applies:

- (2) To *personal and advertising injury* caused by an offense arising out of your business, but only if the offense was committed in the *coverage territory* during the policy period.

And we do not warrant that conditions:

H. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering

on the same basis.

2. If there is other insurance covering the same loss or damage, other than that described in 1 above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

4. When Business Liability Coverage is excess, we will have no duty to defend the insured against any *suit* if any other insurer has a duty to defend the insured against that *suit*. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When Business Liability Coverage is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- a. The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- b. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

J. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

1. Applicable to Property coverage:

That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.
- b. After a loss to your Covered Property only if, at the time of loss, that party is one of the following:
 - (1) Someone insured by this insurance;
 - (2) A business firm:
 - (a) Owned or controlled by you; or
 - (b) That owns or controls you; or
 - (3) Your tenant.

You may also accept the usual bills of lading or shipping receipts limiting the liability of carriers.

This will not restrict your insurance.

2. Applicable to Liability coverage:

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring *suit* or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured.

committed by you or any other insured at any time and relating to coverage under this policy.

4. Paragraph M, When We Do Not Renew is replaced by the following:

M. NONRENEWAL

If we decide not to renew this policy, we will mail through first-class mail to the First Named Insured shown in the Declarations written notice of the nonrenewal at least 45 days before the expiration date, or its anniversary date if it is a policy written for a term of more than one year or with no fixed expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

5. The following paragraph is added:

INCREASE IN PREMIUM OR DECREASE IN COVERAGE

We will not increase the premium unilaterally or decrease the coverage benefits on renewal of this policy unless we mail through first-class mail written notice of our intention, including the actual reason, to the First Named Insured's last mailing address known to us, at least 45 days before the effective date.

Any decrease in coverage during the policy term must be based on one or more of the following reasons:

1. Nonpayment of premium;
2. A false statement knowingly made by the insured on the application for insurance; or
3. A substantial change in the exposure or risk other than that indicated in the application and underwritten as of the effective date of the policy unless the First Named Insured has notified us of the change and we accept such change.

If notice is mailed, proof of mailing will be sufficient proof of notice.

This endorsement modifies insurance provided under the following:

DELUXE BIS-PAK® PROPERTY COVERAGE FORM

The Windstorm or Hail Deductible, as shown in the Declarations and set forth in this endorsement, applies to covered loss or damage caused directly or indirectly by Windstorm or Hail. This Deductible applies to each occurrence of Windstorm or Hail.

With respect to Covered Property at a premises identified in the Declarations, no other deductible applies to Windstorm or Hail.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Damage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

1. Windstorm or Hail Deductible Calculation

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the percentage shown in the Declarations of the Limit(s) of Insurance applicable to the property that has sustained loss or damage. This Deductible is calculated separately for, and applies separately to:

- a. Each building that sustains loss or damage;
- b. The personal property at each building at which there is loss or damage to personal property; and
- c. Personal property in the open.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the

personal property.

We will not pay for loss or damage until the amount of loss or damage exceeds the Deductible. We will then pay the amount of loss or damage in excess of the Deductible, up to the applicable Limit(s) of Insurance.

When property is covered under the Coverage Extension for Newly Acquired Or Constructed Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at the time of loss. The applicable percentage for Newly Acquired Or Constructed Property is the highest percentage shown in the Declarations for any described premises.

2. Example - Application of Deductible

The amounts of loss to the damaged property are \$60,000 (building) and \$40,000 (personal property in building).

The actual Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the personal property.

The Deductible is 2%.

Building

Step (1): $\$80,000 \times 2\% = \$1,600$

Step (2): $\$60,000 - \$1,600 = \$58,400$

Personal Property

Step (1): $\$64,000 \times 2\% = \$1,280$

Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120 (\$58,400 + \$38,720). The portion of the total loss that is not covered due to the application of the Deductible is \$2,880 (\$1,600 + \$1,280).

**CONDITIONAL EXCLUSION OF TERRORISM (RELATING TO DISPOSITION

CB-0564(1-15)

This endorsement modifies insurance provided under the following:

BIS-PAK® COVERAGE PART

- A. The Bis-Pak® Property Coverage Form and the Bis-Pak® Business Liability and Medical Expenses Coverage Form are amended as follows:

1. Applicability Of The Provisions Of This Endorsement

- a. The provisions of this endorsement will become applicable commencing on the date when any one or more of the following first occurs. But if your policy (meaning the policy period in which this endorsement applies) begins after such date, then the provisions of this endorsement become applicable on the date your policy begins.

(1) The federal Terrorism Risk Insurance Program ("Program"), established by the Terrorism Risk Insurance Act, has terminated with respect to the type of insurance provided under this Coverage Form; or

(2) A renewal, extension or replacement of the Program has become effective without a requirement to make terrorism coverage available to you and with revisions that:

(a) Increase our statutory percentage deductible under the Program for terrorism losses. (That deductible determines the amount of all certified terrorism losses we must pay in a calendar year, before the federal government shares in subsequent payment of certified terrorism losses.); or

(b) Decrease the federal government's statutory percentage share in potential terrorism losses above such deductible; or

(c) Redefine terrorism or make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other types of events

or occurrences under this policy.

- b. If the provisions of this endorsement become applicable, such provisions:

(1) Supersede any terrorism endorsement already endorsed to this policy that addresses *certified acts of terrorism* and/or *other acts of terrorism*, but only with respect to loss or injury or damage from an incident(s) of terrorism (however defined) that occurs on or after the date when the provisions of this endorsement become applicable; and

(2) Remain applicable unless we notify you of changes in these provisions, in response to federal law.

- c. If the provisions of this endorsement do NOT become applicable, any terrorism endorsement already endorsed to this policy, that addresses *certified acts of terrorism* and/or *other acts of terrorism*, will continue in effect unless we notify you of changes to that endorsement in response to federal law.

2. The following definition is added and applies under this endorsement wherever the term terrorism is shown in italics.

"Terrorism" means activities against persons, organizations or property of any nature:

- a. That involve the following or preparation for the following:

- (1) Use or threat of force or violence; or
(2) Commission or threat of a dangerous act; or
(3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

- b. When one or both of the following applies:

- (1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
(2) It appears that the intent is to intimidate or coerce a government,

or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

B. The Property Coverage Form is amended as follows:

1. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by *terrorism*, including action in hindering or defending against an actual or expected incident of *terrorism*. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But this exclusion applies only when one or more of the following are attributed to an incident of *terrorism*:

- a. The *terrorism* is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
- b. Radioactive material is released, and it appears that one purpose of the *terrorism* was to release such material; or
- c. The *terrorism* is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
- d. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *terrorism* was to release such materials; or
- e. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the *terrorism* and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of

terrorism which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold is exceeded.

With respect to this Item 1e, the immediately preceding paragraph describes the threshold used to measure the magnitude of an incident of *terrorism* and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of *terrorism*, there is no coverage under this Coverage Form.

2. Exception Covering Certain Fire Losses

The following exception to the Exclusion Of Terrorism applies only if indicated and as indicated in the Schedule of this endorsement.

If *terrorism* results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverages or endorsements that apply to those coverages.

3. Application Of Other Exclusions

When the Exclusion Of Terrorism applies in accordance with the terms of Paragraph 1a or 1b, such exclusion applies without regard to the Nuclear Hazard Exclusion in this Coverage Form.

C. The Business Liability and Medical Expenses Coverage Form is amended as follows:

1. The following definition is added and applies under this endorsement wherever the phrase any injury or damage, is shown in italics:

Any injury or damage" means any injury or damage covered under this Coverage Form or any applicable endorsement, and includes but is not limited to *bodily injury, property damage, personal injury, advertising injury or personal and advertising injury*, as may be defined under this Coverage Form or any applicable endorsement.

2. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for *any injury or damage* caused directly or indirectly by *terrorism*, including action in hindering or defending against an actual or expected incident of *terrorism*. *Any injury or damage* is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such injury or damage. **But this exclusion applies only when one or more of the following are attributed to an incident of *terrorism*:**

- a. The *terrorism* is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
- b. Radioactive material is released, and it appears that one purpose of the *terrorism* was to release such material; or
- c. The *terrorism* is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
- d. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *terrorism* was to release such materials; or
- e. The total of insured damage to all types of property exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the *terrorism* and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered

by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

- f. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - (1) Physical injury that involves a substantial risk of death; or
 - (2) Protracted and obvious physical disfigurement; or
 - (3) Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of *terrorism* which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraph 2e or 2f are exceeded.

With respect to this Exclusion, Paragraphs 2e and 2f describe the threshold used to measure the magnitude of an incident of *terrorism* and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of *terrorism*, there is no coverage under this Coverage Form.

- D. The following provision is added to the Bis-Pak® Property Coverage Form and the Bis-Pak® Business Liability and Medical Expenses Coverage Form:

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for loss or injury or damage that is otherwise excluded under this Policy.

ORDINANCE OR LAW COVERAGE**CB-7032(4-10)**

This endorsement modifies insurance provided under the following:

DELUXE BIS-PAK® COVERAGE FORM

1. Each Coverage - Coverage A, Coverage B and Coverage C - is provided under this endorsement only if that Coverage(s) is chosen by entry in the Schedule below and then only with respect to the building identified for the Coverage(s) in the Schedule.

2. **Application Of Coverage(s)**

The Coverage(s) provided by this endorsement apply only if both 2a and 2b are satisfied and are then subject to the qualifications set forth in 2c.

- a. The ordinance or law:

- (1) Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premise; and
 - (2) Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

- b. The building sustains direct physical damage:

- (1) That is covered under this policy and such damage results in enforcement of the ordinance or law; or
 - (2) That is covered under this policy and direct physical damage that is not covered under this policy, and the building damage in its entirety results in enforcement of the ordinance or law.
 - (3) But if the damage is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

- c. In the situation described in 2b(2) above, we will not pay the full amount of loss otherwise payable under the terms of Coverage A, Coverage B or Coverage C of this endorsement. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Section 8 of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage alone would have resulted in enforcement of the ordinance or law, then we will pay the full amount of loss otherwise payable under terms of Coverage A, Coverage B or Coverage C of this endorsement.

3. We will not pay under Coverage A, Coverage B or Coverage C of this endorsement for:

- a. Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by *pollutants* or due to the presence, growth, proliferation, spread of any activity of *fungi*, wet or dry rot or bacteria; or
 - b. The costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize or in any way respond to or assess the effects of *pollutants*, *fungi*, wet or dry rot or bacteria.

4. **Coverage**

- a. **Coverage A - Coverage for Loss to the Undamaged Portion of the Building**

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage A for the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building. Coverage A is included within the Limit of Insurance shown in the Declarations as applicable to the covered building. Coverage A does not increase the Limit of Insurance.

- b. **Coverage B - Demolition Cost Coverage**

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property.

Item g of Property Loss Condition 5, Loss Payment and Valuation, does not apply to Demolition Cost Coverage.

- c. **Coverage C - Increased Cost of Construction Coverage**

With respect to the building that has sustained covered direct physical damage, we will pay for the increased cost to:

- (1) Repair or reconstruct damaged portions of that building; and/or

- (2) Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

However:

- (1) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- (2) We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

Item g of Property Loss Condition 5, Loss Payment and Valuation, does not apply to the Increased Cost of Construction Coverage.

5. Loss Payment

All following loss payment provisions 5a through 5d are subject to the apportionment procedure set forth in section 2c of this endorsement.

- a. When there is a loss in value of an undamaged portion of a building to which Coverage A applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:

- (1) If the property is repaired or replaced, on the same or another premises, we will not pay more than the lesser of:
 - (a) The amount you actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
 - (b) The Limit of Insurance shown in the Declarations as applicable to the covered building.
- (2) If the property is not repaired or replaced we will not pay more than the lesser of:
 - (a) The actual cash value of the building at the time of loss; or
 - (b) The Limit of Insurance shown in the Declarations as applicable to the covered building.

- b. Unless paragraph 5d applies, loss payment under Coverage B - Demolition Cost Coverage will be determined as follows:

We will not pay more than the lesser of the following:

- (1) The amount you actually spend to demolish and clear the site of the described premises; or
 - (2) The applicable Limit of Insurance shown for Coverage B in the Schedule below.
- c. Unless paragraph 5d applies, loss payment under Coverage C - Increased Cost of Construction Coverage will be determined as follows:
 - (1) We will not pay under Coverage C:
 - (a) Until the property is actually repaired or replaced, at the same or another premises; and
 - (b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage C is the lesser of:
 - (a) The increased cost of construction at the same premises; or
 - (b) The applicable Limit of Insurance for Coverage C in the Schedule below.
 - (3) If the ordinance or law requires relocation to another premises, the most we will pay under Coverage C is the lesser of:
 - (a) The increased cost of construction at the new premises; or
 - (b) The applicable Coverage C Limit of Insurance shown in the Schedule.
 - d. If a Blanket Limit of Insurance is shown for Coverages B and C in the Schedule below, paragraphs 5b and 5c of this endorsement do not apply with respect to the building that is subject to the Blanket Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost of Construction is the Blanket Limit of Insurance shown for Coverages B and C in the Schedule below. Subject to this Blanket Limit of Insurance, the following loss payment provisions apply:

 - (1) For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.
 - (2) With respect to the Increased Cost of Construction:

- (a) We will not pay for the increased cost of construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
 - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.
6. The terms of this endorsement apply separately to each building to which this endorsement applies.
7. Under this endorsement, we will not pay for loss due to any ordinance or law that:
- a. You were required to comply with before the loss, even if the building was undamaged; and
 - b. You failed to comply with.
8. Example of Proportionate Loss Payment for Ordinance or Law Coverage Losses (procedure as set forth in Section B3 of this endorsement)
- Assume:
- Wind is a Covered Cause of Loss: Flood is an excluded Cause of Loss
- The building has a value of \$200,000
- Total direct physical damage to building: \$100,000
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
- Portion of direct physical damage that is covered (caused by wind): \$30,000
- Portion of direct physical damage that is not covered (caused by flood): \$70,000
- Loss under Ordinance or Law Coverage C of this endorsement: \$60,000
- Step 1: Determine the proportion that the covered direct physical damage bears to the total direct physical damage.
- $\$30,000 \text{ divided by } \$100,000 = .30$
- Step 2: Apply that proportion to the Ordinance or Law loss.
- $\$60,000 \times .30 = \$18,000$
- In this example, the most we will pay under this endorsement for the Coverage C loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.
- NOTE: The same procedure applies to losses under Coverage A and Coverage B of this endorsement.

CB-7222(11-99)

This endorsement modifies insurance provided under the following:

BIS-PAK® BUSINESS LIABILITY AND MEDICAL EXPENSES COVERAGE FORM

Who Is an Insured is amended to include as an

insured each individual unit-owner of the insured condominium, but only with respect to liability arising out of the ownership, maintenance or repair of that portion of the premises which is not reserved for that unit-owner's exclusive use or occupancy.

EXCLUSION OF CERTIFIED ACTS OF TERRORISM

CB-7297(1-15)

This endorsement modifies insurance provided under the following:

BIS-PAK® COVERAGE PART

A. The following provisions are added and apply to Property and Liability Coverages if applicable:

1. The following definition is added with respect to the provisions of this endorsement:

"*Certified act of terrorism*" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a *certified act of terrorism* include the following:

- a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
- b. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

2. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for loss or injury or damage that is otherwise excluded under this Policy.

B. The following provisions are added to the Deluxe Bis-Pak® Property Coverage Form:

1. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a *certified act of terrorism*. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

2. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph B1 applies only if indicated and as indicated in the Schedule of this endorsement.

If a *certified act of terrorism* results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under the Business Income and Extra Expense Additional Coverage.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 1,000 feet of the site at which the described premises are located.

- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach, but will never exceed, the Limit of Insurance on the Covered Property that has sustained loss or damage, plus the Debris Removal Limit of Insurance shown in the Schedule.

2. Pollutant Clean Up and Removal

The last paragraph of b Pollutant Clean Up and Removal of 5 Additional Coverages is replaced by the following:

Paragraph (6)(b)(ii) of g Business Income and Extra Expense of 5 Additional Coverages is replaced by the following:

(ii) The total number of days for Extended Business Income shown in the Schedule of this endorsement plus the number of days shown in the Schedule on CB-7135 if that endorsement is attached to your policy.

The Ordinance or Law Coverage applies only if both a(1) and a(2) are satisfied.

- (1) The ordinance or law:

- (a) Regulates the demolition, construction or repair of buildings, or establishes zoning or land use

requirements at the described premises; and

(b) Is in force at the time of loss.

But coverage applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered.

(2) The building sustains direct physical damage:

(a) That is covered under this policy and such damage results in enforcement of the ordinance or law; or

(b) That is covered under this policy and direct physical damage that is not covered under this policy, and the building damage in its entirety results in enforcement of the ordinance or law.

(c) But if the damage is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

(3) (a) In the situation described in a(2)(b) above, we will not pay the full amount of loss otherwise payable under the terms of Coverage A, Coverage B or Coverage C of this endorsement. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(b) However, if the covered direct physical damage alone would have resulted in enforcement of the ordinance or law, then we will pay the full amount of loss otherwise payable under terms of Coverage A, Coverage B or Coverage C of this endorsement.

b. We will not pay under Coverage A, Coverage B or Coverage C for:

(1) Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by *pollutants* or due to the presence, growth, proliferation, spread of any activity of

c. Coverage

(1) Coverage A - Coverage for Loss to the Undamaged Portion of the Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage A for the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building.

(2) Coverage B - Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property.

(3) Coverage C - Increased Cost of Construction Coverage

(a) With respect to the building that has sustained covered direct physical damage, we will pay for the increased cost to:

(i) Repair or reconstruct damaged portions of that building; and/or

(ii) Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

(b) However:

(i) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by

zoning or land use ordinance or law.

- (ii) We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

d. Coverage Amounts and Loss Payments

(1) Ordinance or Law Coverage Amount

The most we will pay under this Additional Coverage, for the total of all covered loss for Coverage A, Coverage B, and Coverage C combined is the Ordinance or Law Limit of Insurance shown in the Schedule. This blanket coverage amount applies separately to each building described in the Declarations. This coverage amount does not include loss due to *green ordinance or law* requirements.

(2) Subject to the coverage amount in (1) above, the following loss payment provisions apply:

- (a) When there is a loss in value of an undamaged portion of a building to which Coverage A applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:

- (i) If the property is repaired or replaced, on the same or another premises we will not pay more than the amount you actually spend to repair, rebuild or reconstruct the building but not for more than the amount it would cost to restore the building on the same premises and of the same heights, floor area, style and comparable quality of the original property insured; or
- (ii) If the property is not repaired or replaced, we will not pay more than the actual cash value of the building at the time of loss.

- (b) Under Coverage B, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.

(c) With respect to Coverage C:

- (i) We will not pay under Coverage C:
 - I. Until the property is

actually repaired or replaced, at the same or another premises; and

- II. Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (ii) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage C is the increased cost of construction at the same premises.

- (iii) If the ordinance or law requires relocation to another premises, the most we will pay for under Coverage C is the increased cost of construction at the new premises.

- e. Under this coverage, we will not pay for loss due to any ordinance or law that:

- (1) You were required to comply with before the loss, even if the building was undamaged; and
- (2) You failed to comply with.

- f. No deductible applies to this Additional Coverage.

- g. Item g of Property Loss Condition 5, Loss Payment and Valuation, does not apply to this Additional Coverage.

- h. Exclusion 1a Ordinance or Law is deleted to the extent loss or damage resulting from enforcement of an ordinance or law is provided under this Additional Coverage.

6. Ordinance or Law Blanket Coverages A, B, and C Green Coverage

a. Application of Coverage

The Ordinance or Law Green - Blanket applies only if both a(1) and a(2) are satisfied.

A. The following is added to paragraph 3. Covered Causes of Loss under PROPERTY COVERAGES:

Additional Coverage – Equipment Breakdown

Additional Coverage Equipment Breakdown as described and limited below is included in the term Covered Cause of Loss. Without an *accident* or *electronic circuitry impairment*, there is no Equipment Breakdown Coverage.

1. We will pay for direct physical damage to Covered Property that is the direct result of an *accident* or *electronic circuitry impairment*. We will consider *electronic circuitry impairment* to be physical damage to *covered equipment*.
2. The following coverages also apply to the direct result of an *accident* or *electronic circuitry impairment*, unless otherwise shown in a *schedule*. These coverages do not provide additional amounts of insurance.

a. Business Income and Extra Expense

- (1) Any insurance provided under the policy to which this Equipment Breakdown Coverage endorsement is attached for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a *schedule*, then with respect to this endorsement only, the *period of restoration* will begin immediately after the *accident* or *electronic circuitry impairment* and the deductible shown in the *schedule* will apply.
- (2) The most we will pay under this Business Income and Extra Expense coverage is the applicable limit for Business Income and Extra Expense, unless otherwise shown in a *schedule*.

b. Data Restoration

- (1) We will pay for your reasonable and necessary cost to research, replace and restore lost *data*.
- (2) The most we will pay under this Data Restoration coverage is \$250,000, unless otherwise shown in a *schedule*. This amount includes the actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered.

c. Expediting Expenses

- (1) With respect to your damaged Covered Property, we will pay the reasonable and necessary extra cost to:
 - (a) Make temporary repairs; and
 - (b) Expedite permanent repairs or replacement.
- (2) The most we will pay under this Expediting Expenses coverage is \$250,000, unless otherwise shown in a *schedule*.

d. Future Loss Avoidance

- (1) This coverage only applies if you have received payment under this Equipment Breakdown Coverage for an *accident* or *electronic circuitry impairment* that occurred on the premises of a covered location.
- (2) We will pay your costs to purchase and install Protective Equipment at the location of the loss as follows:
 - (a) Electrical surge protection or single phase Protective Equipment; or
 - (b) Other Protective Equipment if we agree that such equipment would reasonably reduce the likelihood of a future *accident* or *electronic circuitry impairment* similar to the one for which you have received payment from us. We will not unreasonably withhold such agreement.
- (3) As used in this coverage, Protective Equipment means a permanently installed physical device with the principal function of safeguarding one or more pieces of *covered equipment* from physical damage.

- (4) We must receive your invoices for any purchase and installation costs no later than 180 days after the date you receive the payment for the loss from us.
- (5) With respect to any *one equipment breakdown*, the most we will pay is the lesser of the following:
 - (a) 10% of our Eligible Payment to you prior to any payment under this Future Loss Avoidance coverage; or
 - (b) \$10,000.
- (6) As used in this coverage, Eligible Payment means our total payment to you not including the following:
 - (a) Any deductible or coinsurance amount; or
 - (b) Any payment made after this policy has been cancelled or non-renewed.

e. Green

- (1) With respect to Covered Property, we will pay your additional cost to:
 - (a) Repair damaged property using equipment, materials and service firms required or recommended by a *recognized environmental standards program*, if repair is the least expensive option;
 - (b) Replace damaged property using equipment, materials and service firms required or recommended by a *recognized environmental standards program*, if replacement is the least expensive option;
 - (c) Dispose of damaged property or equipment, if practicable, through a recycling process; and
 - (d) Flush out reconstructed space with up to 100% outside air using new filtration media.
- (2) With respect to any building that is Covered Property and was, at the time of the *accident* or *electronic circuitry impairment* certified by a *recognized environmental standards program*, we will pay your additional cost:
 - (a) To prevent a lapse of such certification;
 - (b) To reinstate the certification or replace it with an equivalent certification;
 - (c) For an engineer authorized by a *recognized environmental standards program* to oversee the repair or replacement of the damaged Covered Property; and
 - (d) For a Professional Engineer to commission or recommission your damaged mechanical, electrical, or electronic building systems.
- (3) As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage in the absence of this Green coverage.
- (4) This Green coverage is subject to the following provisions:
 - (a) This coverage applies in addition to any coverage that may apply under the Environmental, Safety and Efficiency Improvements condition of this endorsement or any other applicable coverage.
 - (b) This coverage only applies to Covered Property that must be repaired or replaced as a direct result of an *accident* or *electronic circuitry impairment*.
 - (c) This coverage does not apply to any Covered Property to which *actual cash value* applies.
- (5) The most we will pay under this Green coverage is \$25,000, unless otherwise shown in a *schedule*. This amount includes the actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered.

f. Hazardous Substances

- (1) We will pay your additional cost to repair or replace Covered Property because of contamination by a *hazardous substance*. This includes the additional expenses to clean up or dispose of such property. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no *hazardous substance* been involved.
- (2) This coverage does not apply to testing, clean up or disposal of land, water or any other property that is not Covered Property.
- (3) This does not include contamination of *perishable goods* by refrigerant, including but not limited to ammonia, which is addressed in Refrigerant Contamination, **2.n.(2)** below.
- (4) The most we will pay under this Hazardous Substances coverage is \$250,000, unless otherwise shown in a *schedule*. This amount includes the actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered.

g. Mobile Robots

- (1) We will pay for physical damage to Covered Property from an *accident* or *electronic circuitry impairment* when the *covered equipment* is a *mobile robot*.
- (2) The most we will pay under this Mobile Robots coverage is \$50,000. This amount includes Spoilage and Consequential Damage, Data Restoration, and the actual loss of Business Income you sustain, necessary Extra Expense you incur, if shown as covered.

h. Mold

- (1) We will pay for the additional cost to repair or replace Covered Property because of contamination by mold, fungus, mildew or yeast, including any spores or toxins created or produced by or emanating from such mold, fungus, mildew or yeast, resulting from an *accident* or *electronic circuitry impairment*. This includes the additional costs to clean up or dispose of such property. This does not include *spoilage and consequential damage* of personal property that is *perishable goods* to the extent that such *spoilage and consequential damage* is covered under Spoilage and Consequential Damage coverage.
- (2) As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no mold, fungus, mildew, yeast, spores or toxins been involved.
- (3) We will also pay the cost of testing performed after repair or replacement of the damaged Covered Property is completed only to the extent that there is a reason to believe there is the presence of mold, fungus, mildew, yeast, spores or toxins.
- (4) This coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.
- (5) As described in **C.1.b.** below, the most we will pay under this Mold coverage is \$15,000, unless otherwise shown in a *schedule*. This amount includes the actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered.

i. Off Premises Equipment Breakdown

- (1) We will pay for physical damage to portable *covered equipment* that, at the time of the *accident* or *electronic circuitry impairment*, is not at a covered location.
- (2) We will also pay for your reasonable and necessary cost to research, replace and restore lost *data* contained within portable *covered equipment* as described in (1) above. This amount may not exceed the limit applicable to Data Restoration coverage.
- (3) With respect to this Off Premises Equipment Breakdown coverage only, the *accident* or *electronic circuitry impairment* may occur anywhere in the world except within any country on which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.
- (4) The most we will pay under this Off Premises Equipment Breakdown coverage is the Property Off Premises limit shown in your policy, unless otherwise shown in a *schedule*. Our payment under this coverage includes:
 - (a) The actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered; and
 - (b) Data Restoration as described in (2) above.

j. Public Relations

- (1) This coverage only applies if you have sustained an actual loss of Business Income covered under this endorsement.
- (2) We will pay for your reasonable costs for professional services to create and disseminate communications, when the need for such communications arises directly from the interruption of your business. This communication must be directed to one or more of the following:
 - (a) The media;
 - (b) The public; or
 - (c) Your customers, clients or members.
- (3) Such costs must be incurred during the *period of restoration* or up to 30 days after the *period of restoration* has ended.
- (4) The most we will pay under this Public Relations coverage is \$25,000.

k. Resultant Damage to Animals

- (1) Any insurance provided under the policy to which this Equipment Breakdown Coverage endorsement is attached for *animals* is extended to the coverage provided by this endorsement.

l. Resultant Loss from a Cyber Event

Coverage is extended to an *accident* or *electronic circuitry impairment* caused by or resulting from a *cyber event* that causes direct physical damage to *covered equipment* at a covered location.

m. Service Interruption

- (1) Any insurance provided for Business Income, Extra Expense, Data Restoration or Spoilage and Consequential Damage is extended to apply to your loss, damage, or expense caused by a failure or disruption of service. The failure or disruption of service must be caused by an *accident* or *electronic circuitry impairment* to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, internet access, telecommunications services, *cloud or outsourced computing services*, wide area networks or data transmission. The equipment must meet the definition of *covered equipment* except that it is not Covered Property.
- (2) *Cloud or outsourced computing services* must be provided by a professional provider with whom you have a contract. With respect to this Service Interruption coverage only, the *accident* or *electronic circuitry impairment* to the equipment of a provider of *cloud or outsourced computing services* may occur anywhere in the world except within any country on which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.
- (3) With respect to the Data Restoration portion of this Service Interruption coverage, coverage will also apply to *data* stored in the equipment of a provider of *cloud or outsourced computing services*.
- (4) Unless otherwise shown in a *schedule*, Service Interruption coverage will not apply unless the failure or disruption of service exceeds 24 hours immediately following the *accident* or *electronic circuitry impairment*. If the interruption exceeds 24 hours, coverage will begin at the time of the interruption, and the applicable deductible will apply.
- (5) The most we will pay in any *one equipment breakdown* under this Service Interruption coverage is the applicable limit for Business Income, Extra Expense, Data Restoration or Spoilage and Consequential Damage. However, if a limit is shown in a *schedule* for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.

n. Spoilage and Consequential Damage

- (1) We will pay for physical damage to *perishable goods* due to *spoilage and consequential damage*.
- (2) Refrigerant Contamination
We will also pay for physical damage to *perishable goods* due to contamination from the release of refrigerant, including but not limited to ammonia. If a separate limit is indicated for Refrigerant Contamination, this amount is part of, and not in addition to, your Spoilage and Consequential Damage limit.
- (3) We will also pay any necessary expenses you incur to reduce the amount of loss under this Spoilage and Consequential Damage coverage. However, we will not pay more than the amount that would otherwise have been payable under this Spoilage and Consequential Damage coverage.
- (4) The most we will pay under this Spoilage and Consequential Damage coverage is \$250,000, unless otherwise shown in a *schedule*.

B. The following is added to Property Exclusions section:

All exclusions in the Deluxe Bis-Pak® Property Coverage Form apply except as modified below and to the extent that coverage is specifically provided by this endorsement. Exclusions listed in this endorsement apply regardless of cause.

If any cyber incident exclusion is made a part of this policy, such exclusion will not apply to the extent coverage is provided in **A.2.I. Resultant Loss from a Cyber Event**.

1. With respect to coverage under this endorsement, the following Property Exclusions are modified:
 - a. The next to the last paragraph in Property Exclusion **1.j.** is deleted and replaced with the following:

However, if an excluded loss or damage, as described in paragraph **(1)** above results in an *accident* or *electronic circuitry impairment*, we will pay for the resulting loss, damage or expense caused by that *accident* or *electronic circuitry impairment*.
 - b. The last paragraph of Property Exclusion **2.I.** is deleted and replaced with the following:

But if an excluded cause of loss that is listed in **2.I.(1)** through **(7)** results in an *accident* or *electronic circuitry impairment*, we will pay for the resulting loss, damage or expense caused by that *accident* or *electronic circuitry impairment*.
2. With respect to coverage under this endorsement, the following exclusions are added:
 - a. We will not pay for loss, damage or expense caused by any of the following causes of loss, whether directly or indirectly. This exclusion applies even if the excluded cause of loss was the result of an *accident* or *electronic circuitry impairment*:
 - (1) Fire, including smoke from a fire.
 - (2) Explosion of gas or unconsumed fuel within the furnace of any boiler or fired vessel or within the passages from that furnace to the atmosphere.
 - (3) Any other explosion, except as specifically covered under this endorsement.
 - (4) Any earth movement. This includes, but is not limited to, earthquake, earth sinking, landslide, sinkhole collapse, subsidence, tsunami or volcanic action.
 - (5) Flood; mudslide or mudflow; overflow of any body of water; storm surge; tidal waves; tides; surface water; water that discharges, overflows or backs up from a drain, sump or sewer; waves; or spray associated with any of the foregoing; all whether or not caused by or involving wind.

However, if electrical *covered equipment* requires drying out because of the above, we will pay for the amount you actually expend to dry out such equipment, subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies. We will not pay more than the *actual cash value* of the affected electrical *covered equipment*. We will not pay to replace such equipment or for any other direct or indirect loss, damage, or expense.
 - (6) Vandalism, meaning a malicious act that causes damage or destruction. However, this exclusion does not apply to a *cyber event* to the extent coverage is provided in **A.2.I.** (Resultant Loss from a Cyber Event coverage).
 - (7) Any *cyber event*, except as specifically provided in **A.2.I.** (Resultant Loss from a Cyber Event coverage).
 - (8) Your failure to use all reasonable means to protect Covered Property from damage following an *accident* or *electronic circuitry impairment*.
 - (9) Freeze caused by cold weather, except as specifically provided under **A.2.n.** Spoilage and Consequential Damage coverage.
 - (10) Discharge of molten material from equipment, including the heat from such discharged material.
 - b. We will not pay for loss, damage or expense caused directly or indirectly by any condition or event listed in **(1)** through **(5)** below, without regard to whether such condition or event is normal and expected or unusual and unexpected. However, if a condition or event that is listed in **(1)** through **(5)** below results in an *accident* or *electronic circuitry impairment* and no other exclusion applies, we will pay only for the loss, damage or expense that is a direct result of and solely attributable to the *accident* or *electronic circuitry impairment*.
 - (1) Any defect, error, or shortcoming in design or installation;
 - (2) Any undercapacity, underperformance, failure to perform as expected or failure to perform as designed;
 - (3) Any defect, programming error, programming limitation, loss of *data*, loss of access, loss of use, loss of functionality or other condition within or involving *data* or *media* of any kind;
 - (4) Contamination by a *hazardous substance*;

- (5) Any condition, including, but not limited to, misalignment, miscalibration or tripping off-line which can be corrected by:
 - (a) Resetting, tightening, adjusting or cleaning;
 - (b) Normal maintenance, including but not limited to replacing expendable parts, recharging batteries or cleaning;
 - (c) Rebooting, reloading or updating software or firmware; or
 - (d) Providing necessary power or supply.
- c. We will not pay for an *accident* or *electronic circuitry impairment* caused by or resulting from any of the following causes of loss:
 - (1) Lightning.
 - (2) Windstorm or hail. However, this exclusion does not apply when:
 - (a) *Covered equipment* located within a structure or building suffers an *accident* or *electronic circuitry impairment* that results from wind-blown dust, rain, sand or snow; and
 - (b) The structure or building did not first sustain wind or hail damage to its roof or walls through which the dust, rain, sand or snow entered.

 - (b) Loss or damage to property located within a structure or building, unless a falling object first damages the roof or exterior wall of the structure or building.
 - (8) A hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment.
 - (9) Any means, whether or not successful, intended to extinguish a fire. This includes, but is not limited to, the spraying of water.
- d. With respect to Business Income, Extra Expense and Service Interruption coverages, we will also not pay for:
 - (1) Loss caused by your failure to use due diligence and dispatch and any and all reasonable means to resume business; or
 - (2) Any increase in loss resulting from an agreement between you and your customer, supplier or contractor.
- e. Except as specifically provided under **A.2.h.** Mold coverage we will not pay for loss, damage or expense caused directly or indirectly by the following, whether or not caused by or resulting from an *accident* or *electronic circuitry impairment*: Any mold, fungus, mildew or yeast, including any spores or toxins created or produced by or emanating from such mold, fungus, mildew or yeast. This includes, but is not limited to, costs arising from clean-up, remediation, containment, removal or abatement of such mold, fungus, mildew, yeast, spores or toxins. However, this exclusion does not apply to *spoilage and consequential damage* of personal property that is *perishable goods*, to the extent that such *spoilage and consequential damage* is covered under Spoilage and Consequential Damage coverage.
- f. Except as specifically provided under **A.2.b.** Data Restoration, or **A.2.k.** Resultant Damage to Animals, we will not pay for loss, damage or expense caused directly or indirectly by the following, whether or not caused by or resulting from an *accident* or *electronic circuitry impairment*:

- j. Exclusions 2.c.(1) through (7) above do not apply if:
 - (1) The excluded cause of loss occurs away from any covered location and causes an electrical surge or other electrical disturbance;
 - (2) Such surge or disturbance is transmitted through utility service transmission lines to the covered location and results in an *accident* or *electronic circuitry impairment*; and
 - (3) The loss, damage or expense caused by such surge or disturbance is not covered elsewhere under the policy.

C. EQUIPMENT BREAKDOWN LIMITS AND DEDUCTIBLES

1. EQUIPMENT BREAKDOWN LIMITS OF INSURANCE

Any payment made under this Equipment Breakdown Coverage will not be increased if multiple insureds are shown in the Declarations or if you are comprised of more than one legal entity.

- a. The most we will pay for loss, damage or expense arising from any *one equipment breakdown* is the applicable Limit of Insurance in the Declarations, unless otherwise shown in a *schedule*. Coverage provided under this endorsement does not provide an additional amount of insurance.
- b. Loss arising from any *one equipment breakdown* may continue to be present or recur in a later policy period. This includes, but is not limited to, loss arising from mold, fungus, mildew or yeast as covered under Mold coverage. In such a case, the most we will pay for all loss, damage or expense arising out of any *one equipment breakdown* is the coverage limit at the time of the *accident* or *electronic circuitry impairment*.
- c. If two or more coverage limits apply to the same loss or portion of a loss, we will pay only the smallest of the applicable limits for that loss or portion of that loss.

2. EQUIPMENT BREAKDOWN DEDUCTIBLES

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a *schedule*. If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, the Property Deductibles provision is deleted and replaced with the following:

a. Deductibles for Each Coverage

- (1) Unless the *schedule* indicates that your deductible is combined for all coverages, multiple deductibles may apply to any *one equipment breakdown*.
- (2) We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the *schedule*. We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.
- (3) If deductibles vary by type of *covered equipment* and more than one type of *covered equipment* is involved in any *one equipment breakdown*, only the highest deductible for each coverage will apply.

b. Direct and Indirect Coverages

- (1) Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the *schedule*.
- (2) Unless more specifically indicated in the *schedule*:

- (a) Direct Coverages Deductibles apply to all loss, damage or expense covered by this Equipment Breakdown Coverage with the exception of Business Income and Extra Expense loss, regardless of where such Business Income and Extra Expense coverage is provided in this Equipment Breakdown Coverage; and
- (b) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss, regardless of where such coverage is provided in this Equipment Breakdown Coverage.

c. Application of Deductibles

(1) Dollar Deductibles

We will not pay for loss, damage or expense resulting from any *one equipment breakdown* until the amount of loss, damage or expense exceeds the applicable deductible shown in the *schedule*. We will then pay the amount of loss, damage or expense in excess of the applicable deductible or deductibles, up to the applicable Limit of Insurance.

(2) Time Deductible

If a time deductible is shown in a *schedule*, we will not be liable for any loss occurring during the specified number of hours or days immediately following the *accident* or *electronic circuitry impairment*. If a time deductible is expressed in days, each day will mean twenty-four consecutive hours.

(3) Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no *accident* or *electronic circuitry impairment* occurred, divided by the number of working days in that period. No reduction will be made for the Business Income not being earned, or in the number of working days, because of the *accident* or *electronic circuitry impairment* or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the *period of restoration*. The number indicated in the *schedule* will be multiplied by the ADV as determined above. The result will be used as the applicable deductible.

(4) Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible) insured under the coverage that is applicable. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

(5) Horsepower Deductibles

If a deductible is expressed as a function of horsepower, the indicated amount per horsepower will be multiplied by the horsepower rating of the applicable *covered equipment*. The resulting amount will apply as a Dollar Deductible. If the resulting amount is less than the indicated Minimum Deductible, the Minimum Deductible will be the applicable deductible. If the *covered equipment* is an air conditioning or refrigeration system, the indicated amount per horsepower will be multiplied by the horsepower rating of the system's largest motor or compressor. If systems or components are rated in tonnage of cooling capacity, each ton of rated capacity will be converted to horsepower in accordance with the following chart:

Horsepower Equivalent Per One Ton of Rated Cooling Capacity	
Centrifugal Compressor System	0.7 hp
Hermetic Scroll Compressor System	1.0 hp
Reciprocating Compressor System	1.5 hp
Screw Compressor System	1.5 hp
All Other Systems	4.7 hp

D. EQUIPMENT BREAKDOWN CONDITIONS

1. The following conditions are in addition to the Property Loss Conditions in the Deluxe Bis-Pak® Property Coverage Form.

- a. **Jurisdictional Inspections**

If any property that is *covered equipment* under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

- b. **Suspension**

Any of our representatives may immediately suspend the insurance against loss from an *accident* or *electronic circuitry impairment* to any *covered equipment* that is found to be in a dangerous condition or exposed to a dangerous condition. They may do this by mailing or delivering a written notice of suspension to:

- (1) Your address most recently known to us; or
- (2) The address where the applicable *covered equipment* is located.

The only way we may reinstate insurance is by issuing an endorsement for that *covered equipment*.

We will refund the premium applicable to the suspended *covered equipment*, prorated for the period of suspension. However, the suspension will be effective immediately even if we have not yet offered or made a refund.

2. With respect to this endorsement only, the Loss Payment Condition **5.g.** in the Deluxe Bis-Pak® Property Coverage Form is deleted and replaced with the following:

- g. We will determine the value of Covered Property as follows:

- (1) Except as specified otherwise, our payment for damaged Covered Property will be the least expensive of:
 - (a) The cost to repair the damaged property;
 - (b) The cost to replace the damaged property on the same site; or
 - (c) The amount you actually spend that is necessary to replace or repair the damaged property.
 - (2) The amount of our payment will be based on the most cost-effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property. This will not include costs to research or correct defects, errors or shortcomings in the design or installation of the Covered Property.
 - (3) Except as described in (4) below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.
 - (4) Environmental, Safety and Efficiency Improvements

If *covered equipment* requires replacement due to an *accident* or *electronic circuitry impairment*, we will pay your additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with like kind and quality. This provision does not apply to any property to which *actual cash value* applies and does not increase any of the applicable limits.

- (5) Consequential Loss to Undamaged Stock

Our payment for damaged Covered Property will include compensation for undamaged stock that loses market value or requires additional expense because of the damage to the Covered Property.

- (6) The following property will be valued on an *actual cash value* basis:

- (a) Any property that does not serve a useful or necessary function for you;
 - (b) Any Covered Property that you do not repair or replace within 24 months after the date of the *accident* or *electronic circuitry impairment*; and
 - (c) Any Covered Property for which *actual cash value* coverage is specified in a *schedule*.

- (7) If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:
 - (a) The property was manufactured by you;
 - (b) The sales price of the property is less than the replacement cost of the property; or
 - (c) You are unable to replace the property before its anticipated sale.
- (8) Except as specifically provided for under Data Restoration coverage, *data* and *media* will be valued on the following basis:
 - (a) For mass-produced and commercially available software, at the replacement cost.
 - (b) For all other *data* and *media*, at the cost of blank *media* for reproducing the records. We will not pay for *data* representing financial records based on the face value of such records.

E. EQUIPMENT BREAKDOWN DEFINITIONS

The following definitions are added with respect to this endorsement only:

- a. “*Accident*” means a fortuitous event that causes direct physical damage to *covered equipment*. The event must be one of the following:
 - (1) Mechanical breakdown, including physical damage caused by centrifugal force. As used in this definition, Mechanical Breakdown means an occurrence involving one or more moving parts of machinery that causes such machinery to operate improperly or to cease operating.
 - (2) Artificially generated electrical current, including electrical arcing, that damages electrical devices, appliances or wires.
 - (3) Explosion, other than combustion explosion, of steam boilers, steam engines, steam piping or steam turbines.
 - (4) Sudden physical damage not otherwise excluded occurring inside:
 - (a) Steam boilers, steam engines, steam piping or steam turbines; or
 - (b) Hot water boilers or other equipment used to heat water.
 - (5) Bursting, cracking or splitting. However, this does not include any bursting, cracking or splitting associated with an explosion, unless such explosion is an *accident* as defined in (3) above.
- b. “*Actual cash value*” means the replacement cost for parts, equipment or other property less Depreciation. However, the *actual cash value* will not be less than 25% of the actual replacement cost.
 As used in this definition, Depreciation means the ratio of the age of the property at the time of loss to its expected useful life.
 Depreciation will not be applied to labor or other costs necessary to complete the repair or replacement.
- c. “*Animal*” means a creature of the kingdom Animalia. This includes, but is not limited to, amphibians, birds, fish, insects, mammals, reptiles, and worms.
- d. “*Boilers and vessels*” means:
 - (1) Boilers;
 - (2) Piping, valves or fittings that:
 - (a) Convey steam; or

DEDUCTIBLES BY LOCATION**CB-7490(7-23)**

This endorsement modifies insurance provided under the following:

DELUXE BIS-PAK® PROPERTY COVERAGE FORM

Paragraph 1 of the Property Deductibles section is replaced by the following provisions, which only apply with respect to the location and corresponding covered cause(s) of loss shown in the Schedule of this endorsement.

- A.** Applicable deductibles by location are shown in the Schedule. If the Schedule shows a deductible for a particular building, then that building is considered to be a separate location for the purpose of this endorsement.
- B.** The deductible specified for a particular location applies to all property at that location. Therefore, if a building is shown in the Schedule as a separate location, all Covered Property at that location is subject to that deductible. The deductible will apply only once at that location in each occurrence of loss or damage.
- C.** If one occurrence results in loss or damage at more than one location, the applicable deductible will apply separately to loss or damage at each location that has sustained loss or damage, in accordance with the information shown in the Schedule for locations and deductibles. Therefore, for example, if fire damages two buildings which are shown in the Schedule as separate locations, the applicable deductible will be applied separately to the loss at each location.
- D.** The terms of this endorsement do not apply to any Windstorm Or Hail Percentage Deductible or Hurricane (or Named Storm) Deductible provided elsewhere in this policy.
- E.** This policy does not cover Earthquake or Flood unless such causes of loss are added to the policy as covered causes of loss. If Earthquake and/or Flood are added to this policy as covered causes of loss. If Earthquake and/or Flood are added to this policy as covered causes of loss, the terms of this endorsement do not apply to

Earthquake or Flood and corresponding deductibles will be shown elsewhere in this policy and identified as such.

EXAMPLE

In this example, the indicated deductibles apply to All Covered Causes of Loss at the specified locations.

This example assumes:

- Σ That the loss at each location is less than the sum of the Limit of Insurance and the Deductible applicable to that location.
- Σ That insurance is adequate and there for a Coinsurance penalty does not apply.
- Σ A fire damages Buildings 1 and 2 ,and Business Personal Property (BPP) at those buildings.
